A NOTE FROM THE DIRECTOR

Thank you for supporting the Desert Hills Dance Company. I sincerely hope that you enjoy our 13th annual Spring Dance Concert, "Stepping Back Through Time." This show takes you on a dance journey back through history and influential moments throughout time. All the students involved in this show have worked incredibly hard to get this production up and running. They have been hard at work since the first day of school, and even some of the summer, creating and learning dances. We are thrilled to have our in person performance as last year we lost that opportunity.

Most of the pieces you will see tonight are choreographed fully by the Dance Co. students. This can be an extremely challenging task for the students, yet each student handles it with great maturity. Some of these students have been thinking about this concert since last spring. I am totally impressed by the quality of work they have created.

I want to thank my students and their parents again for all their hard work and determination. These students pulled together as a family and worked so hard during these challenging times and have proven time and time again that they are hungry to dance. I don't think I could do it without their drive and passion. They motivate and inspire me daily.

I also would like to thank my family who supports me in this crazy dream job of mine. Many thanks to my husband, two kids and parents who support me, and all of my crazy ideas.

I would not be able to do all of what we do without the help of Rachel Blackford, Autumn Larrabee, and Kimball Sullivan, our assistant coaches. These ladies help make us function on all levels. Autumn and Kimball are proof that you never truly leave dance co. and you always have a place to come home to.

Every year gets better and better. I am blessed to have the opportunity to work with such amazing students and talented staff and faculty at DHHS

Enjoy the Show!!!!

We have some AMAZING seniors, and we can't wait to see where they go after graduation! We're so proud of them all, and will miss having them on dance company. We wish them the best of luck in their show and in all their future endeavors!

Marianne Corpaci- 5 year company member! Dance sterling scholar runner up! Amazing dancer and actress! Headed to Dixie State, and then on an LDS Mission!
Note from parents: Marianne we are so proud of you and all your accomplishments! We can't believe this will be your final high school concert! Seeing you learn and progress in your movements and choreography has been magical. You are a beautiful dancer and an inspiration to watch! We know you will do some amazing things in the years to come. We joyfully anticipate the incredible journey that lies ahead as you pirouette into a very bright future. We definitely be needin' some stronger Sun Block! We love you!

Shannon Davis- 2 year company member! State festival choreographer and SUPAF scholarship recipient! Beautiful dancer and tech and theater guru! Headed to Dixie State pursuing dance!

Note from parents: Shannon was the cutest little girl ever and has grown into a strong, beautiful and amazing young woman. We could not be more proud of her. In the last 2 years she has truly blossomed through her involvement with this dance company. She is not afraid to try hard things. She was a part of color guard for 3 years and worked hard everyday to become proficient. She has become an amazing choreographer and has a creative soul. Because of her natural determination to accomplish great things and to do her best we have seen the influence that she has on those around her and the light that she brings into the world. We are so excited as she spreads her wings and starts on a new journey to see her continue to grow and bring more joy, art, and light into the world. We are grateful for the opportunity to be her family and to love and support her.

Riley Frisbee- 4 year company member! Choreographer for 3 shows in a row! Dedicated performer, hardest worker, earliest riser! Headed to UNLV pursuing criminal justice!
Note from parents: Congratulations Riley you've made it! It has been a privilege watching you grow into such a beautiful young woman and dancer. Who knew the tiny little girl taking dance lessons would wow us as a teenager with beautiful movement and the capability to choreograph! You've overcome major obstacles like breaking your foot and dealing with all that 2020 brought. You kept your goals in sight and returned to dancing. Watching you dance with Dance Company and form friendships that are everlasting has been rewarding for everyone! Your dedication, desire and love for dance shines in your smile. We are so proud of you!

Makenna Loveless- 2 year company member! SUPAF scholarship recipient! Great dancer, tennis player, track star! Headed to Utah State pursuing kinesiology and physical therapy!

Note from parents: Kenna! It has been so fun to watch you grow as a dancer and to see you shine. You have inspired us as you continually try new things and give your best. You are thoughtful and caring and we love that about you! We can't wait to see all the good things that are ahead for you. Enjoy every bit of it. We love you! -Mom and Dad
